## The Most Wonderful Time of the Year

Growing up my dad would sing with joy at the start of each school year. Summer was over and he now knew his kids would be out of his hair and back in public school for nine months. Many parents appreciate the school year and look forward to their kids being taught while at the same time affording the parent the opportunity to not worry about who is watching their children.

This is also a most wonderful time for Calvary; we are starting our Sunday School Program. We are excited to be able to give to those parents in the church an outlet for their children to learn more about Jesus and the love God has for His creation.

Much like any type of school, Sunday school is no easy task. We need your help. So, After the service on September 4<sup>th</sup> we are having a brief meeting about Sunday School. If you can help it would be greatly appreciated. We desperately need someone for the nursery for ages up to 5 years old. The class time is from 10am till 10:30am . We will also be making a schedule for the Children's Church which takes place after our worship service when the children are dismissed by the pastor.

This is a time of rebuilding for our church. All hands are needed! God has given each of us gifts and abilities to help in that. Our Sunday school is a first step in faith that we can faithfully minister to children and families of this fellowship. We will show them love and what it is to be true Children of God. This love we show them will come from a genuine heart that is ready to serve. How wonderful it will be when we can look back at these days of rebuilding with gladness knowing God accomplished the work through using you.

Be reminded that you are invited to come to our evening service at 7pm. We share in song, prayer and in the Word. We are continuing with the book of Matthew. Don't miss out on our Wednesday nights either as we have been studying the book of Revelation. Everyone is welcome; you will be blessed by coming and worshiping with us.
